TERMS OF SALE

Prices quoted are strictly wholesale to Nurserymen and Seedsmen and Market Growers of cut flowers.

California Sales Tax Law does not apply to out-of-State shipments or to direct wholesale for resale within the State.

Thirty days' credit to those of approved rating. Three per cent discount for cash.

All orders of $5 or under, and from Foreign Countries cash, at the U. S. rate of currency.

Shipping charges are payable by consignee. Express charges being reduced 25 per cent, all shipments will be made by Express unless otherwise requested. No charges for packing. We will rectify all mistakes of count, omission or misdirection. All transportation claims must be assumed by the buyer against the carrier, as all plants are forwarded at the buyer's risk.

We endeavor to send out first class stock—packed in the best manner possible—and true to name. However, in common with all dealers, we give no warranty, expressed or implied, as to the crop, its variety or product. If these conditions are not acceptable to the customer return plants to us immediately.

To Those in the Trade

THE DATES given in regard to maturity are based on average growing conditions from May and June planting. However, growing and climatic conditions being different in some localities they must be taken into consideration in the maturing of the crop.

We specialize in rooted cuttings of Chrysanthemums taken from strong stock plants field-grown for this purpose only. We do not grow our flowers in competition with the trade.

We solicit correspondence regarding any feature of our Catalog or terms of sale.

Write us for special prices on large quantities.

Respectfully yours,

Garrett-Olsen Co.
